Laleh Lajevardi

Associate Professor

School of Rehabilitation Sciences

Iran University of Medical Sciences, Madar Square, Mirdamad Blvd, Tehran, Iran.

Tel: +98(21)22228.01-2, Fax: +98(21)2222.946

PO Box: 15875-4391, Tehran

Email = laleh23275 @ yahoo.com

Fax: +98212222.946

Education

- PhD Degree in Occupational Therapy (2014)

Iran University of Medical Sciences, Tehran, Iran

Dissertation: Compiling of the Experiences of Iranian Occupational Therapists with Evidence-Based Practice.

[Type the document subtitle]

[Type the author name]

- M.Sc. Degree in Occupational Therapy (1997)

Iran University of Medical Sciences, Tehran, Iran

- B.Sc. Degree in Occupational Therapy (1987)

Iran University of Medical Sciences, Tehran, Iran

Academic Success

- First student in B.Sc. Degree of Occupational Therapy (1987)
- First student in M.Sc. Degree of Occupational Therapy (1997)

Professional Experience

- Establishment of Occupational Therapy Department in Firouzgar Hospital
- Supervision of Occupational Therapy Students in Firouzgar, Shafa yahyaeyan and Rasoule Akram Hospitals.
- Supervision of Occupational Therapy Students in Rehabilitation centers of: Vardavard, Evin, fadak, and faculty of Rehabilitation Sciences Clinics.

[Type the document subtitle]

[Type the author name]

- Teaching of theoretical and practical lessons for bachelor, master and PhD degrees of Occupational Therapy.
- Supervisor of thesis of the undergraduate and graduate of Occupational Therapy students.

Educational experiences

Teaching, training and supervision of undergraduate, graduate, postgraduate and PhD students (about 800 students in 28 years) in Iran's University of Medical Sciences, Tehran's University of Medical Sciences and University of Social Welfare and Rehabilitation Sci., Tehran, Iran.

Attendance at workshops

- One day's workshop of " Cognitive Therapy" (by Andrew Bliley), TUMS, March 1999, Tehran, Iran.
- One day's workshop of article writing, IUMS, July 2002, Tehran, Iran.
- 5 days' workshop of Research Methodology, IUMS, September 2003, Tehran, Iran.
- Two day's workshop of Rehabilitative Technology, Behzisty....., December 2003, Tehran, Iran.
- One day's workshop of "Athletic Massage"(by ErolHarmman), Iran's Federation of Athletic Medicine, July 2004, Tehran, Iran.

[Type the document subtitle]

[Type the author name]

- Two day's workshop of "SPSS in Statistical Analysis", IUMS, February 2005, Tehran, Iran.
- Two day's workshop of "writing skills & publishing scientific article in English Language", IRAN DOC, September 2007, Tehran, Iran.
- 5 days' workshop of "Qualitative Research Methodology", IUMS, December 2007, Tehran, Iran.
- 3 day's workshop of " New Methods of Evaluation of Clinical Skills", IUMS, June 2008, Tehran, Iran.
- 3 day's workshop of "Article writing & Information Skills", IUMS, July 2008, Tehran, Iran.
- One day's workshop of "Splinting Materials: Characteristics & Applications", University of Social Welfare & Rehabilitation Sciences, November 2008, Tehran, Iran.
- 3 day's workshop of "Systematic Review", IUMS, October 2008, Tehran, Iran.
- Two day's workshop of "Mixed Method"(by Janet Grant), IUMS, May 2010, Tehran, Iran.
- 5 day's workshop of TADBIR, TUMS, August 2011, Tehran, Iran.
- 3 day's workshop of "Electronic Search (1, 2, 3)", TUMS, January & February 2013.

[Type the document subtitle]

[Type the author name]

- One day's workshop of "Qualitative Research Method" (advanced), IUMS, January 2015, Tehran, Iran.
- One day's workshop of "Cochrane Library", IUMS, June 2016, Tehran, Iran.
- Two day's workshop of "Storyline" IUMS, December 2016, Tehran, Iran.

.

Paper Presentation

- **Lajevardi, L.** "Rehabilitation of Replantation Surgery", First Seminar of Rehabilitation, Tehran, Iran, November 1991.
- **Lajevardi, L:** "Rett Syndrome", the 1th Iranian Occupational Therapy Congress, Tehran, Iran, June 1993.
- **Lajevardi, L:** "Serial Cylindrical Casting", the 9thIranian Occupational Therapy Congress, Tehran, Iran, October 2002.
- **Lajevardi, L:** " evidence – based practice in hand Rehabilitation", Vocational Rehabilitation Congress, Tehran, Iran, March 2007.
- Hassanzadeh, R. **Lajevardi, L:** "The Effects of Forearm Selective Anesthesia in Combination with Sensory Reeducation on Hand Sensibility After Median/Ulnar Nerve Repair", The 13th Iranian Occupational Therapy Congress, Tehran, Iran, June 2008.
